Training Times are 9am - 4pm

20 seats available per program

REGISTER SOON

Addictions Treatment Program Training

January 30, 31 & February 1, 2012

Get trained to deliver this 21-session treatment program designed to effectively address the individual emotional and social reasons for addictive behaviours. This training qualifies as 19.5 core ceu's with the CACCF and 24 hours with FNWACB.

Living Without Violence Program Training

February 2, 3 & 4, 2012

Get trained to deliver this 24-session treatment program designed to effectively address the individual's social and emotional reasons influencing their violent and abusive behaviours. This program is effective for both abusers and victims.

Child & Youth Program Training

February 6, 7 & 8, 2012

Get trained to deliver this 12-session program given in 3 age groups (7-10, 11-14, 15-18) and designed to effectively provide our young people the skills to: stay in school; avoid substance misuse; develop better relationships; avoid gangs, violence & criminal behaviour.

Registration forms are available online at moosecree.ca or the Moose Factory Health Centre at the MOOSE CREE Complex.

<<Completed forms>> can be dropped off to MF Health Centre or faxed to (705)658-4136, ATTN: Cheryl Moore

*****Deadline to register is Friday, January 20th*****

Addictions Treatment Program Training

January 30, 31 & February 1, 2012

Get trained to deliver this 21-session treatment program designed to effectively address the individual emotional and social reasons for addictive behaviours. This training qualifies as 19.5 core C.E.U's with the CACCF and 24 hours with FNWACB.

Living Without Violence Program

February 2, 3 & 4, 2012

Get trained to deliver this 24-session program designed to effectively address the individual's social and emotional reasons influencing their violent and abusive behaviours. This program is effective for both abusers and victims.

Child & Youth Program Training

February 6, 7 & 8, 2012

Get trained to deliver this 12-session program given in 3 age groups (7-10, 11-14, 15-18) and designed to effectively provide our young people the skills to: stay in school; avoid substance misuse; develop better relationships; avoid gangs, violence & criminal behaviour.

How long is the training?

The length of each program is three days. It is an intensive interactive training where participants learn the theory behind the approach and get hands-on practice how to facilitate the program.

What do I get?

With training you get at Program manual, supplement package, report writing template, access to the assessment tools, certification and license agreement.
