

2018 Little Native Hockey League Host Community Announcement

Moose Factory, Ontario – April 7, 2018

The Little Native Hockey League Executive and the Moose Cree First Nation are pleased to announce that the host community will remain with Moose Cree First Nation for the 2018 Little NHL Event in Mississauga, Ontario!

With the success of the 2017 event still in mind, and the record setting initiatives in all areas of the event, it was agreed upon by both organizations that the event should be hosted by Moose Cree once again!

Chief Patricia Faries and the Moose Cree Council acknowledges that the framework in building such a large scale event takes time, and the efforts of this past year will provide a solid benchmark in ensuring the success of 2018 can be maintained and achieved.

Little NHL President Debbie Debassige shares in the same sentiment and congratulates Moose Cree and the team on what was achieved for 2017. The bar was set high, and the Executive look forward to seeing what the 2018 event will add to continue to build the events positive reputation in what it stands for with Indigenous Youth.

Save the dates for March 11 – 15th 2018 for the Little NHL and for any media enquiries please contact Little NHL President Debbie Debassige or Executive Director, Mark Butterfly for Moose Cree.
