

Working at Heights Training

Date: August 31, 2016
Time: 9:00 AM – 4:00 PM
Location: MCEA Garage
Registration Fee: \$25.00
Seats: 10 Participants

This one-day course provides a comprehensive overview of legislated requirements, hazards and hazard controls related to working at heights. The course has been designed to be in compliance with the Ministry of Labour's Working at Heights Program Standard.

This training is intended for workers, supervisors, joint health and safety committee members, health and safety representatives or anyone else who works at heights, works with or supervises people who work at heights.

By the end of the training, participants will have knowledge and skills that will help them avoid or prevent falls from heights.
