

ICE ROAD BETWEEN MOOSE FACTORY AND MOOSONEE OFFICIALLY OPEN

Be advised that effective January 8, 2016, the ice road between Moose Factory and Moosonee is officially open for light duty vehicles ONLY (up to 8 tons).

The route of the road is between McLeod hill (Moose Factory barge landing) and McCauley hill (Moosonee). Practice safe driving by limiting speed to 40 km/h and use caution when approaching work crews. Keep in mind that use of the ice road is at your own risk.

The route from McLeod hill to the E.P.R. ramp is closed to traffic at this time. Please do not remove road barriers or signs as they are meant to warn and protect the public.
