

Community Town Hall

Working towards a better future

Moose Cree First Nation, in collaboration with MoCreebec Council of the Cree Nation, and the Town Council of Moosonee, is hosting a special community town hall for all residents of Moose Factory Island and Moosonee.

Social issues have created challenges that have caused many to be concerned about the present and future state of our communities. There is a growing desire for a better future and a stronger tomorrow. The time has come to give a voice to the people to share their dreams for the future and map out a path to reach these goals.

POSTPONED!

NEW DATE:

Monday, July 7th, 2014

6:30 p.m. at the TCJMC Community Hall

We have witnessed positive growth in the community. Our challenge is to find ways to build on our strengths and work together to create a better future for all community members. All community members and service providers are encouraged to attend. Town hall facilitated by Rev. Norm Wesley.

Moosonee residents: Boat taxi transportation will be provided free of charge (attendance sheet must be signed)
