

Winter Clothing Exchange

Winter's coming! winter's coming! Winter clothing can be very expensive so we are asking community members to donate items that are still in good condition and could keep a child warm this winter. Please ensure that all items are cleaned.

The Moose Cree First Nation Social Assistance Office will be accepting donations of winter clothing items such as coats, snow pants, hats, mitts, neck warmers and boots.

Once we have enough donations we will have a table in the complex foyer for people to take what they need. We are hoping to do this by mid November before the colder weather sets in. Keep an eye out for announcements closer to that time.

Donations accepted at the Social Assistance Office beginning:

NOVEMBER 1, 2013

Thank you all in advance for your donations. It is greatly appreciated!

Please call (705) 658-4619 ext. 222 for any inquiries.

Yours in community spirit,
The MCFN Social Assistance Department
