**ACKNOWLEDGING, CELEBRATING AND HONORING THOSE WHO ARE WALKING THE GOOD LIFE**

To celebrate our community’s successes and achievements we wish to recognize the individuals, who have persevered, overcame obstacles and today promote living a healthy lifestyle.

As part of the National Addictions Awareness Week the Moose Cree Health Services, Mocreebec Eeyoud Health Services, the Family Well-Being Program(s) and Moose Cree Healing Centre are hosting a community Feast. We would like to celebrate and honour the individuals who have become role models of wellness and to acknowledge how they walk the good life.

1. Moose Cree Health Services Reception
2. MoCreebec Eeyoud Reception
3. Moose Cree Healing Centre Reception

**DEADLINE: 12 noon Tuesday, November 14, 2017**
