THE ABOR GROUP

Having Trouble Managing Your Electricity Bills?

The Aboriginal Conservation Program Can Help You

The saveONenergy **ABORIGINAL CONSERVATION PROGRAM** is offered by the Ontario Power Authority and is administered by First Nations Engineering Services Ltd. (FNESL) and the Abor Group, both out of Six Nations. This program is designed to deliver energy-saving initiatives directly to First Nation communities across Ontario, including remote and northern communities. The saveONenergy ABORIGINAL CONSERVATION PROGAM helps qualified home owners and tenants including housing providers improve the energy efficiency of their homes. The program includes a detailed in-home energy assessment, professional installation of energy-efficiency upgrades and energy-saving measures, and helpful advice on steps eligible participants can take to save even more energy.

Join us at the **Community Hall** for free information, free food, free refreshments and prizes.

October 22, 2013 5:00pm – 8:00pm Community Launch, learn more about having measures such as weather stripping, energy efficient lighting, power bars and more installed in your residence. *Everyone Welcome*
