## PALLIATIVE CARE: JOURNEY MAPPING WORKSHOP

**OPEN TO COMMUNITY MEMBERS**

**Date: October 12-13, 2016 at EPR Centre**

**Time: 9 a.m—4 p.m Lunch will be provided**

The purpose of this workshop is to bring together community members to begin a **conversation on palliative and end-of-life care**. In our Illiwuk language, the Cree phrase for ‘palliative care’ is “mah cic pimisike” and translates to “lying down for the last time.” This facilitated workshop will ask: Who provides palliative care? What is the vision for end of life care? What are the challenges/gaps and strengths in the current state? What is Cree culturally sensitive end of life care? Where do we go from here as a community of care?
