

# ATTENTION ALL MOOSE HUNTERS

*"With your help, land and resources can complete this task!"*

***To take part in this special project.***

*Pick up your kit at  
Moose Cree main office  
and Cochrane office.*

## **Lands and Resources are looking for Volunteers!**

We are currently looking for hunters this season to take part in a special project this season. Lands and Resources is collecting variety of sample from the moose to identify age, chemical levels in the body and more. We are also looking for a variety of hunting areas from the Moose Cree Territory to test moose. With your help, land and resources can complete this task! We have a kit to help you step by step in this project.
