

SHARING INSIGHTS ON DIABETES

JOIN US FOR AN INFO SESSION!

Info Session: At the Health Centre

Last year, a project on Diabetes was conducted with Moose Cree and other First Nations communities across Ontario. After exploring the lived experiences of First Nations Peoples in Moose Factory, we are coming to present this information back to you!!

Laurentian University, Queen's University and the Chiefs of Ontario are working together to influence policy and practice surrounding diabetes care for First Nations Peoples.

Please join us for a presentation and some sharing!

TUESDAY, SEPTEMBER 25th, 2018

Moose Factory Health Centre

1:00PM-3:00PM

This Session invites all WAHA Health Staff, Directors, Health Committee, and others who are unable to make it to Session 2 taking place on September 26th.
