6:30 PM @ TCJMC COMMUNITY HALL**

The Executive Director has created an Ad Hoc Committee, called the Interim First Nation Management Committee, made up of a team of volunteer senior managers, to assist him in the management of the First Nation until the new Chief and Council takes office.

We are holding an information session for Moose Cree Membership to discuss the draft Terms of Reference for the Interim First Nation Management Committee.

The draft Terms of Reference will be hand delivered door to door to Moose Cree members in Moose Factory.

If you have suggestions or recommendations for improvement of the draft Terms of Reference, please attend the information session.
