

Moose Cree

First Nation

Would you like to participate in a project about the Moose Cree language?

We would like to know more about the different methods of learning vocabulary in Moose Cree and recognizing words in their written and oral form. The results will be helpful in developing new teaching methods of Moose Cree. We are looking for participants between 18 and 50 years with little or no previous knowledge of the Cree language. Compensation will vary between \$10 to \$20 depending on the tasks.

The tasks will take place in Moose Factory on Monday February 20th and on Friday February 24th in the evening.

If you are interested in participating, please contact Jimena Terraza at
