Information and updates for the 2014 - 2015 season

2014 - 2015

SEASON CLOSURE:

MONDAY, MARCH 23, 2015 at 6:00 A.M.

The Wetum Road will be closing for the 2014-2015 season on Monday, March 23, 2015 at 6:00 am. This will provide our contractors enough time to complete the end-of-season work permit requirements.

As road conditions continue to deteriorate, we must stress the importance of using **4x4 VEHICLES ONLY** for the remainder of this season.

Please visit our website www.moosecree.com, or our Facebook page, for the latest day-to-day road updates.
