

2016 - 2020 Economic Development Strategic Planning

Our department staff will be conducting a series of sessions geared to gather input and suggestions from Moose Cree Membership in shaping our Moose Cree Economy. We will conduct these sessions this Fall of 2016 and help us establish our economic goals moving towards a brighter future for generations to come. We hope you will come out and share your thoughts, ideas and goals for our collective future as we aim to realize our indigenous sovereignty and rights to self determination.

We hope to see you there.

For all other out of town members who wish to participate, there will be an electronic document that can be emailed.
