

PRESS RELEASE:

Moose Cree First Nation, Ontario

The Moose Cree First Nation and Helicopter Transport Services are proud to announce that both organizations will be working together on providing Helicopter Services for the Community.

In a Council Motion, it was approved that establishing this business relationship, that will ideally benefit both organizations, will aim to provide this essential service for our Community and Members. This will include passenger transportation requirements, Harvesters Program Requirements, Charter Services and all business opportunities within the Moose Cree Homelands.

There will be more announcements made in the near future about this Partnership as the goal is to provide superior, safe and reliable services at a cost-effective rate as the Helicopter Season Approaches for Fall 2018.

For any media enquires or for further questions, please contact:

Gary Kapashesit, Executive Director, Moose Cree First Nation

Mike Lavoy, HTS Vice President of Communications and Marketing
