

Moose Cree

First Nation

Greetings to all Moose Cree students attending Ministik Public School, Delores D. Echum Composite School and many other secondary and post-secondary institutions across Ontario and Canada!

On behalf of the Council of Moose Cree First Nation, I extend my best wishes to you as you begin the 2018 - 2019 academic year.

Education is key to the development of Moose Cree First Nation now and in the future. We need our people educated in all areas to ensure that this development continues for our people today and for the seven generations to come. While education is important for our Nation, it is equally important for your own personal development and growth as a Moose Cree person as you become empowered by the renewed sense of confidence it will provide.

You are all on different educational journeys pursuing various areas of study. You are in Moose Factory, Sudbury, Toronto and other locations, yet one thing you all have in common is that you are all Moose Cree people. You are the education warriors of our Nation and you lead the way for our people into the future and I wish you every success as you work towards your educational goals.

Kinanaskomotin (translation) I greet you in a good way!

Kinanaskomotinaw (translation) I greet you all in a good way!

Chief Patricia Faries
Moose Cree First Nation
