POLAR BEAR SIGHTINGS IN MOOSE FACTORY

Moose Factory, ON, December 17, 2018

On Sunday, December 16th, a polar bear was put down after it entered the community landfill site.

On the morning of Monday, December 17th, a second polar bear sighting was reported. Air and ground surveillance activities were conducted, and the bear could **not** be located. At this time, we cannot confirm that a second polar bear is present on or near Moose Factory island.

Monitoring will continue throughout the night and morning.

In the interest of public safety, we ask that parents know the whereabouts of their children at all times.

Report all polar bear sightings to the Nishnawbe-Aski Police Service at 705-658-4887.
