UPDATE #5: Posted January 23, 2015

OFFICIALLY OPEN

JANUARY 23, 2015

The Wetum Road is officially open for its third season. Moose Cree First Nation is pleased to provide you with this additional travel option and asks that you drive carefully and be aware of road crews maintaining the road.

Driving Directions (North to south, beginning at the end of the Wetum Road):

- Turn left as you leave the gates of the Wetum Road
- Drive 45km to Abitibi Canyon.
- Proceed carefully on this section of gravel road as it is fairly narrow and has a few deep dips which may block visibility of the road. Drive slowly and watch for oncoming vehicles when approaching these sections.
- From Abitibi Canyon, proceed for 3.5 km and turn left onto Highway 634 South
- Continue 73km to Smooth Rock Falls
