FILMING IN MOOSE CREE

Hydro One will be in Moose Cree (Moose Factory) with a film crew from January 17–21 for a number of small video projects to support the promotion of Hydro One programs in First Nations communities.

Customers who have signed up for the Home Assistance Program, which is a program that provides free energy saving upgrades, will be receiving their upgrades during the week, and the Hydro One film crew will be on site to capture the event, as well as interview members of the community about electricity conservation.

In addition to filming, Hydro One team members will be at the **Hydro One Information Booth, January 18-21** to answer questions about billing, programs, energy savings tips, as well as provide information on other Hydro One initiatives such as business, employment and training opportunities.

**INFO BOOTH VISITORS WILL BE ENTERED INTO A DRAW
FOR TWO \$50 VISA GIFT CARDS!**

Visit the Hydro One Information Booth in the Complex Foyer

January 18-20 10am – 5pm

January 21 11am – 3pm
