

Notice

Date: February 28, 2019

Please be advised you may experience water discoloration from your faucets on March 1st, 2019, as normal effect from Maintenance at the Water Plant.

Water quality isn't affected and the water is still drinkable. Please run your water until it is clear.

Should you have any questions or require further information, please contact us at (705) 658-2034.

We apologize for the inconvenience this may cause.

Kind regards,

Ontario Clean Water Agency
