GOOSE TISSUE SAMPLING PROGRAM

We would like to remind all Spring 2018 Harvesters Subsidy recipients to kindly participate in the Goose Tissue Sampling Program.

Kits can be picked up at the Moose Cree main reception, each kit contains directions for extracting the tissue. Individuals who submit samples will have their name entered in a draw for a prize.

For more information, please contact Stan Loone, Harvesters Program Coordinator by phone at (705) 658-4619 ext. 315, or by email at hspc@moosecree.com
