Community Information Session

Tuesday September 16th : 6pm
Thomas Cheechoo Jr. Community Centre
Hosted by Chief & Council

Open to the Moose Cree First Nation Membership, please join us in providing an update to Washow Lodge and plans for the future. We are encouraging community participation as we hope to get this operational and work together on a plan in shaping this place to be something to be proud of. We will be providing a historical overview that will include all milestones, challenges & financial commitments to this project. We hope to attain community support in it's future and begin to realize the benefits that was originally intended when we first started many years ago. We hope to see you there!
