PUBLIC NOTICE TO TRAVELLERS

MOOSE FACTORY AND WETUM ROAD SCREENING CHECK POINTS

- If you have been contacted from a Public Health Unit as a potential high exposure / contact risk and should be self-isolating, you should not be travelling. You may not be allowed through the checkpoints located in Moose Factory.
- All travellers will be required to stop and check in at the Moose Factory and Wetum Road checkpoints.
- You will be required to state where you are travelling from.
- Travellers using the Wetum Road for travel to southern communities will be required to state where they are going and for how long.
- Travellers on the Wetum Road will also need to fill out the individual traveller form upon return at the Wetum Road checkpoint. These forms will be provided when you head south, ask for them if they are not provided right away. This way you can fill out and hand in when you return.
- If you have any of the following symptoms, stay home and do not travel: new or worsening cough, sore throat, nasal congestion, difficulty swallowing, shortness of breath or difficulty breathing, temperature equal to or more than 38°C, feeling feverish, chills, fatigue or weakness, muscle or body aches, new loss of smell or taste, headache, abdominal pain, diarrhea and vomiting, feeling very unwell, runny nose.
- Identification must be presented when requested.
